> Design

Gone are the days of old, plastic, and outdated interior truck designs. Instead, the 2022 Nissan Frontier features a completely redesigned and modernized interior layout. Replete with the creature comforts you'd expect from a topof-the-line luxury model. The 2022 Nissan Frontier will turn your commute from downtown Franklin to West Haven Golf Club into an experience you enjoy.

- New additions:
 - Zero Gravity Seating. Keep your back free of aches and pains from those long drives on I-65.
 - Remote Engine Start. • Heat up your Frontier before your long trip home on those frigid Tennessee winter nights. • Cabin redesign affords far greater leg and headroom compared to previous models.

> Performance

The Nissan Frontier might be smaller than other trucks, but it still delivers right where it counts: towing and payload. You'll find every trim comes with a 3.8-liter V6 engine that churns out 310 horsepower as well as 281-pound feet of

- Tow everything from campers to horse trailers across I-840 and all over Tennessee. • Max towing capacity of 6,470 lbs.
- With a max payload of 1610 pounds, you get a beast of a truck without all the bulk of other models.
- No trail is too wild from Nashville to Memphis, and no mountain path too steep for your Nissan Frontier.

Experience The Nissan Frontier

Modern truck enthusiasts expect an expansive list of technological features. The Nissan Frontier is designed for seamless connectivity to your mobile device, all the while giving you the option of going hands-free as you drive.

- Android Auto and Apple CarPlay Available.
- Available Wi-Fi hotspot for connectivity on those camping trips to Owl Creek Park.
- With optional 9-inch upgrade available.

Standard 8-inch Infotainment screen.

• Optional wireless smartphone charging station for the center console.
